"Once upon a time, not so very many years ago, a family of rabbits lived in the woods near the top of a mountain. There were six in the family, counting Flop Ear, the funny rabbit, and I speak of him first because this story is going to be mostly about him and his adventures, or what happened to Flop Ear." Another hippity-hoppty tale about an adventurous little rabbit whose left ear just would not stand up straight. - Summary by Phil Chenevert

Read by JBCConnor; realisticspeakers; HilaryWiley; Claire Schreuder; Kathleen Moore . Total running time: 2:24:20
